November 2018

Dear Friend of Hull Artists,

2018 has been a landmark year for Hull Artists! We've met many of our goals to increase Awareness, Appreciation, and Access to art for people in our Town and region, but still have a long way to go. Your interest in the arts has helped sustain our vitality and make us one of the most active arts organizations in the region. *Thank you!*

Highlights from 2018 include:

- Production of two outstanding Open Studios weekends attracting over 1,000 art-loving guests to 22 studios hosting the work of 37 artists.
- Phenomenal re-invention of Gallery Nantasket (now in its 5th year!) as Hull Artists' home, providing Hull a *year-round* arts venue for exhibits and classes.
- Curation of 5 community exhibition locations in Hull and Cohasset for HA members.
- Promotion of the hugely popular Let's Do Jo's! en plein air art extravaganza.
- Participation by HA members and leadership in critical conversations about expanding arts and culture development in Hull and the region.
- Record number of members in Hull Artists!

Hull Artists is an ambitious, all volunteer non-profit organization with meaningful community roots. Modest membership dues help us meet basic obligations, but we rely on gifts – *all 100% tax-deductible* – to help us deepen our impact by increasing awareness and engagement with arts in Hull and throughout the South Shore.

Gifts of every size make a big difference. Please consider showing your appreciation of the arts, and our work, by making a contribution.

Happy Holidays – and Best Wishes for a joyfully creative 2019!

Bart Blumberg

Bart Blumberg, President
Hull Artists

Hull Artists promotes locally produced fine art and crafts, and Hull as a seaside arts destination, through exhibits, workshops, partnerships, events, and a year-round gallery for the benefit of artists, visitors and residents of the town and region.
