

Dear HA Craft Artists,

Last Fall we had a successful and beautiful virtual Crafts Show on the HA website thus, the Exhibits Committee, is pleased to announce a **Members Craft Show – Summer!** This will be a virtual show. We are adding a “**Contact Artist**” button which creates an email to the artist so visitors have an easy way of contacting you to purchase a piece. This is an excellent opportunity to exhibit and sell your art.

The artist will be able to have a Gallery in the show on the HA website to display 4 pieces representing a **sample** of your work. The goal is to pique the viewer's interest in either these pieces or look at your HA Portfolio or your other marketing sites.

HA will, of course, be promoting the show through social media and emails. The show will run from the beginning of May through the end of August.

If you are a current HA “artisan crafter,” you are encouraged to submit photos of **4 pieces of your work** that are not already in your HA website's portfolio. We're asking for only one photo of each of the 4 pieces. Because your work will be displayed online, the quality of your photos is very important! Along with the photos you will provide information (see below) about each piece and contact information. All show artists will automatically have links to their profile/portfolio in the “Our Artists” section of the website (if available) in addition to any other websites or social media sites you want.

We would like ALL our craft members to take advantage of this opportunity to display and sell your artwork!!! To encourage your participation, the SHOW entry fee is only **\$10 for the 4 pieces**.

Email your **4** photos to, Kim Draper, the show Coordinator, at [Kp.draper@gmail.com](mailto:Kp.draper@gmail.com) by April 23rd

Also, provide the following information about **each item** you submit:

1. your name
2. title of the piece, if appropriate
3. a (max) 5-word description of the piece
4. materials list if not in the description
5. size
6. price
7. your email
8. other online sites such as social media, websites, etc.

We look forward to your participation in the Members Craft Show-Summer

Keep creating,  
Kim

***We hope all eligible members will consider participating in this Summer exhibit!***
